### **Tootsie Roll Drives**

Brother's

It is that time of year where the Knights of Columbus run the tootsie roll drives for Special Olympics. As you can see on the attached September and October calendars there will be four more events that will need your help. There are Sign-up slots still open. If you are willing to help in this worthy effort contact Brother Louie Fraire for more information and times and you will be able to sign up at the Officers meeting on September the 1st. Last year the Council had individuals or families working double shifts to cover the time slots. The Tootsie roll chairman is looking forward to your helping to make this year better then last year where the Council came in Third in the State in the amount of money collected for Special Olympics.
